

## Dealer Access System Training

TCF Inventory Finance would like to invite you to a 30 minute presentation on the new DataScan Dealer Access (DAS) System. This is the system that TCF Inventory Finance dealers use to manage their floor plan account with TCF Inventory Finance, including receiving monthly interest billing statements, making payments, running reports, etc.

This training has been scheduled for the dates and times below and will be a live web-based meeting. You will need a PC for the video portion of the training and a phone for the audio. At the meeting time, simply click on the appropriate "Join this Meeting" link below or follow the Troubleshooting instructions and enter the appropriate meeting ID and Entry code. For the audio portion, call the phone number below and enter the participant code. If this is the first time you're attending a Webex live meeting, please see the instructions below.

<b>The Audio for all sessions will only be presented via conference phone. You will need to both call in on the phone and join the Internet web conference.</b>	<b>For Audio Call: (712) 451-6000 Participant code: 1013751#</b>
